

Bertelsmann Next Generation Tech Booster Program

You need to complete your program within the timeline, ensuring all requirements are met before the end date.

Event	Date
Start Date	Dec 11, 2024
Activity Check	Jan 6, 2025
End Date	Feb 12, 2025

Learners who don't show active participation in the Challenge will be unenrolled by January 6, 2025.

How can I fulfill the active participation requirement by January 6, 2025?

To fulfill this requirement, please complete both of these steps:

1. Enter the classroom for your Challenge course.
2. Start your Challenge course by clicking into a minimum of 1 lesson and completing 1 concept inside it. You will see a green checkmark next to the concept in the left sidebar once you have completed it.

The Path to Success

Students who excel in Udacity's Scholarship Challenge Phases often follow these best practices:

1. Dedicate 3–5 hours per week to completing the Challenge Course.
2. Engage actively in the Community and participate in community initiatives.
3. Carefully review and complete all Challenge Phase content.
4. Pass the Certification Assessment
